

MMI Iveco Thesi LE - EV

INTERCITY BUS

Versatility in a single vehicle

Category M3 bus, Class II, MIDI type.

A versatile midibus that, thanks to a wide range of configurations, can be perfectly tailored to your needs. School, touring and line-service versions, as well as special adaptations are all available within a single vehicle platform.

A dedicated low-floor section in the rear doorway area facilitates boarding and enables direct wheelchair access into the vehicle.

INTERCITY BUS
