

MMI Iveco Thesi LE - CNG

TOURIST BUS

Versatility in a single vehicle

Bus category M3, Class III,
MIDI type.

A versatile midibus that, thanks to a wide range of configurations, can be perfectly tailored to your needs. School, tourist and regular service versions, as well as special adaptations – all available in a single vehicle. A special version with a low floor at the rear doorway facilitates boarding and allows direct wheelchair access into the vehicle.
